

GRANT REQUEST GUIDELINES

Summary

Alliance Catholic Foundation is a non-profit 501(C)(3) organization committed to providing financial advantages by furthering education and improving the overall quality of life in the communities we serve.

To qualify for project funding, your program or project must be for a Catholic individual, group of individuals, or an organization whose practices are consistent with the teachings of the Catholic Church. The program or project must be located within the State of Michigan with money staying in-state without being processed by national organizations.

Grant requests must address one of the focus areas listed below:

Furthering Education – Programs/Projects that assist in providing opportunities for families/students to pursue a Catholic education or a post-high school degree/certificate in general. In addition, programs/projects that focus on financial literacy for children and adults will be considered.

Community Quality of Life Needs – Programs/Projects designed to help the poor and/or disadvantaged directly with, consistent with, or under coordination with Catholic faith-based organizations

Review Process:

The Alliance Catholic Foundation Board of Trustees assigns the Operational Committee to review each application, collect data, and present recommendations to the Board of Trustees. Your organization may be asked for additional information to submit to the committee or to prove your tax-exempt status.

Grant application requests will have an annual deadline of May 31.

All applicants will be notified by July 7th of each application year with an approval or denial of their request.

Application Details:

Please include any supporting documents for consideration.

Application may be submitted online or printed out at AllianceCatholicFoundation.org.

The Foundation will only approve one grant to an organization per calendar year. Please do not request multiple projects within one request.
