

Make a *Difference!* SCHOLARSHIP

We are proud to announce the winners of our 2020 MAKE A DIFFERENCE SCHOLARSHIP CONTEST

With only one photo and six words these students were able to share how they have lived their faith by helping someone in need in their community. With over 130 total entries, we were able to see how their kindness, dedication, compassion, understanding and faith have guided them through challenging times and inspired them to give it their all.
